

TRIM COLOR SELECTOR

FOR OPERABLE WALLS

HUFCOR[®]

THE WORLD
LEADER IN
FLEXIBLE SPACE
MANAGEMENT

The metal trim on your Hufcor operable partitions may be powder coated to blend with, match or complement the panel face finish.

TRIM COLOR
SELECTOR

Our three level program offers trim color choices for every budget. Select a color from our Standard, Premium or Custom colors. To help you decide the best trim color, just place the template at the right over the swatch of vinyl, carpet, fabric or other face finish you have selected for your partition.

Level 1 STANDARD COLORS

The price of Hufcor operable partitions allows you to choose Lamb's Wool, gray or brown trim. It is included in the price of your partitions.

Level 2 PREMIUM COLORS Powder Coated Metal Trim

Additional lead time required

Hufcor offers a selection of Premium colors at an **UPCHARGE (see page 3)**. These colors are those most often requested by designers for use on our operable partitions. (Important note: Only the exposed metal trim will be powder coated. Plastic or vinyl parts are furnished in either gray or brown.)

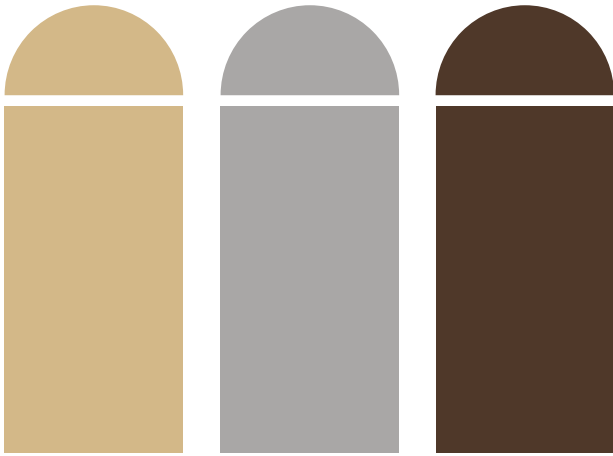

Custom

Level 3 Custom colors Powder Coated Metal Trim

Additional lead time required

Custom-matched trim colors may also be ordered. "Custom" colors are NOT SHOWN on page 3. Send us a sample of the color you wish to match. **The prices will be higher than for our Premium Colors.** Samples will be sent for your approval after we have received an order. (Important note: Only the exposed metal trim will be powder coated. Plastic or vinyl parts are furnished in either gray or brown.)

Level 1 STANDARD COLORS – Included in Price

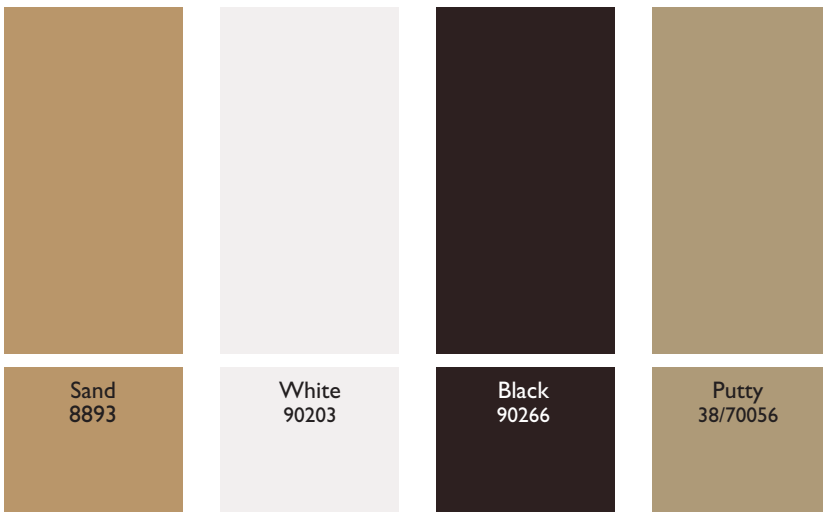

Lamb's Wool

Gray

Brown

Level 2 PREMIUM COLORS – Upcharge Required

Sand
8893
