Custom Colors

Level 3 - Custom Trim Colors
(Additional cost & lead time required)

- » Custom-matched trim colors can also be ordered to blend with, match or complement the partition panel face finish
- » Send us a sample of the color you wish to match. An upcharge for Custom Colors will apply.

Additional Notes

Level 1, 2, & 3 Trim Colors

- » Only the exposed metal trim will be powder coated
 - For Sand or Putty colored metal trim, plastic or vinyl parts are available in Lamb's Wool, Gray, Brown or Black
 - For White or Black colored metal trim, plastic or vinyl parts are only available in Black
- » The vertical trim extends only 1/2" [12.7mm] onto the face of the panel per side.
- » Shown color specifications apply to our 600 series operable partitions and Vertical Lift systems (Summit™)
- » Actual color may vary from what is shown due to variations between the print and paint processes. Room lighting may also change the color's appearance.
- » Due to Hufcor's continuous product improvement program, we reserve the right to improve and change product without notice
